EndoSpine Academy

Advanced Course

March 18 - 19, 2027

Zurich, Switzerland

EndoSpine Academy - Advanced Course 2027

Refine your endoscopic techniques in our upcoming advanced course.

Get the chance to acquire the following procedures from our esteemed founders:

- Cervical foraminotomy
- Cervical laminotomy
- Advanced lumbar techniques

We are looking forward welcoming you to the EndoSpine Academy Advanced Course.

Mazda Farshad, MD
Initiator and chairman

About the EndoSpine Academy:
The EndoSpine Academy, founded by internationally renowned endoscopic spine surgeons, is an independent platform dedicated to teaching through courses, educational material and fellowships.

Our goal is to teach, educate, as well as research and develop new spinal endoscopy technologies.

We teach evidence based and follow always the newest findings in endoscopic spine surgery.

Be part of the future of Spine Surgery.
